

2017 Donor Impact Report

THE FOUNDATION
KVH 

"I don't ever want to have to go back to a hospital again. But if I do, I want to go to this one."

Debi, KVH E.R. Patient

Dear Friends,

2017 was a year of incredible accomplishments. Your generosity grew into the largest gift given to KVH in the Foundation's history, allowing Kittitas Valley Healthcare (KVH) to bring new services including Ouchless E.R. and equipment impacting patients of all ages. Our prior director, Michele Wurl, is now leading the community relations department of KVH. With the expertise of the Foundation at her side, this transition has created a team that works together to communicate for the health of Kittitas County.

The obstacles healthcare providers and patients face in rural areas are vastly different than those of our neighboring urban areas. KVH continues to thrive and keep appropriate care close to home thanks to the generosity of donors like you. Your engagement as advocates, volunteers, and donors is the core of our healthcare organization.

2018 brings new opportunities, and with strong partnerships, we can and will achieve even greater impact for advancing care at KVH, your home for health.

With Gratitude,

Lauren Denton Kathryn Houck

Our Mission

The Foundation provides Kittitas Valley Healthcare with the funds to improve healthcare services for the benefit of all.

Our Purpose

Since its inception in 1986, The Foundation at KVH has been working to enhance programs that promote, encourage, and assist the improvement and expansion of excellent healthcare at KVH.

Your Support Made a Difference

Ouchless E.R.

Thanks to your generosity, KVH celebrated 2017 with the largest donation from The Foundation in its history. The Foundation was privileged to give over **\$265,000** to support patients across the spectrum of KVH services, including prenatal care, the birthing center, emergency department, clinics, inpatient areas, and operating rooms. KVH is now home to an Ouchless E.R., which takes scariness out of medical procedures and provides as much of a pain-free and comforting environment as possible for our youngest patients.

“Emergency care is a ‘scary unknown’ for children. We want to make their experience as pleasant as possible.”

Dede Utley, KVH Emergency Director

Tough Enough to Wear Pink at the Ellensburg Rodeo

\$11K raised in 2017
Since 2015, **28** women have received help

We are proud of our partnership with the Ellensburg Rodeo to raise funds and awareness for breast cancer. Since The Foundation brought digital mammography to Kittitas County, this fund continues to financially assist KVH patients by covering the cost of breast cancer prevention screenings and diagnostic services for family, friends and neighbors not covered by insurance.

“For every \$300 we raise, we can provide a free mammogram screening. Tough Enough is a fun and easy way to join the fight against cancer.”

Connie Dunnington, Board Member

Over **\$2 million** given to

Every year, this community shows its generosity as donors make a contribution to The Foundation at KVH. The gifts are given quietly, without flash or ceremony. They're received with gratitude, and quickly put to use in ways that help us care for the needs of our patients.

Give for Safer Surgeries

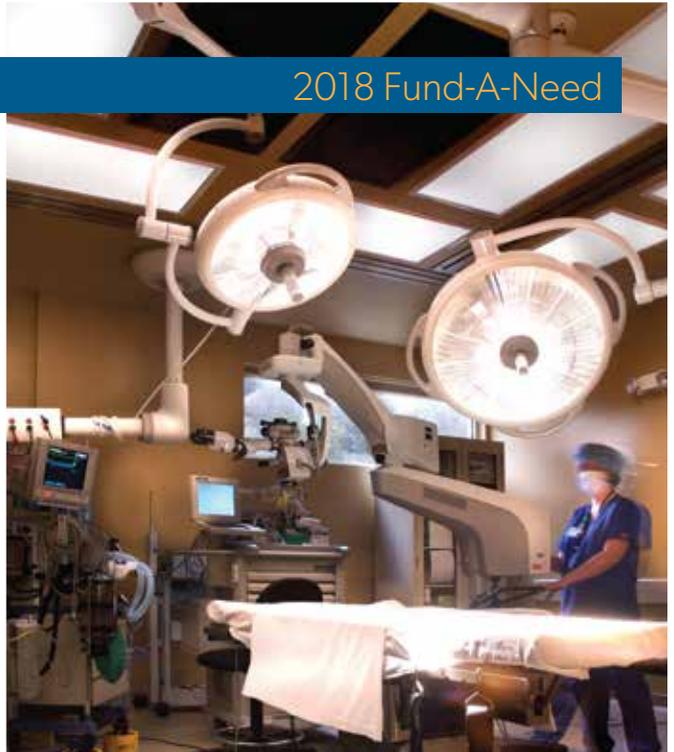

2018 Fund-A-Need

With over 1,500 surgeries performed each year, planned and unexpected, patients can trust they are in good hands. Our anesthesiology providers and care teams have a huge responsibility ensuring patients receive the best care at all times and keep risks to a minimum. That's why we have committed to purchase two new anesthesia machines to enhance the delivery of anesthesia care for every surgery patient at KVH.

We have raised funds to purchase at least one machine.

Help us raise our 2018 goal
for two.
