

## **No time for L&I paperwork? No problem.**

We help you get injured employees back to work as quickly and safely as possible, and we manage the L&I process, too!

### **CDL exams**

### **L&I case management**

### **Pre-employment exams**

respirator clearance evaluations

immunization & drug screening

CAOHC certified hearing tests

bloodborne exposures

fit-for-duty exams

mask fit testing

work injuries

...and more
