

2025 Impact Report

Mission: The Foundation provides Kittitas Valley Healthcare with the funds to improve healthcare services for the benefit of all.

A YEAR OF GRATITUDE

In 2025, your generosity made a lasting difference. Because of your support, The Foundation was able to distribute more than \$630,000 to Kittitas Valley Healthcare—funding essential tools, services, and programs that touch lives every day and strengthen care across our entire community.

These meaningful investments helped place a new ambulance in service for UKC Medic One in Upper County, enhanced emergency and critical care, and supported maternal and infant health. They also expanded access to diagnostics and laboratory services, rehabilitation and hospice care, and improved rural access to healthcare. Your compassion reached patients managing diabetes, families navigating dementia and cancer, and neighbors in need of mammograms and diagnostic ultrasounds who might otherwise go without care.

Behind every dollar is a patient, a family, a moment of hope—and through your support, those moments are possible.

Through careful stewardship of our investment portfolio, The Foundation remains deeply committed to preserving and growing these resources, ensuring that quality healthcare is accessible today and that the health needs of our community are met for generations to come.

Fundraising Events

\$630,572.00

Awarded to Kittitas Valley Healthcare

Each year, our community demonstrates its extraordinary generosity through thoughtful gifts to The Foundation at KVH. These contributions are often made quietly, without recognition, and are received with profound gratitude. Every gift is swiftly put to meaningful use, creating a lasting impact for our patients and their families.
